# CITY OF WAGNER SNOW REMOVAL ORDINANCE

## PLEASE BE AWARE OF THE FOLLOWING

It shall be unlawful for any person or entity to park, place, or allow to remain, along any curb or edge of any street or roadway within the corporate limits of Wagner, South Dakota, any vehicle, boat, trailer, camper, farm implement or machinery, or any other item, after snowfall accumulations have exceeded two (2") inches in any given twenty-four hour (24 hr.) period of time, on the following described routes:

North Street from Front Avenue to Washington Avenue; Washington Avenue from North Street to State Highway 46-50; Front Avenue from the intersection of Poplar Drive and Front Avenue to Seventh Street; Second Street from Front Avenue to Walnut Avenue; Walnut Avenue from State Highway 46-50 to Fourth Street SW from Walnut Avenue to Hickory Avenue; from Hickory Avenue to Fourth Street SW to High Avenue SW; High Avenue SW from Fourth Street SW to Fifth Street SW; and Fifth Street SW from High Avenue SW to Front Avenue SW; Birch Avenue SW from SD Highway 46 South to Fourth Street.

Failure to do so may result in ticketing. City Ordinance states that in the event of 2" of snowfall on the Emergency Snow Route, a notice will be broadcast on WNAX radio and KELOLAND TV stating that snow removal will begin; cars and such remaining on the street after the broadcast will be ticketed.

**The official notice of a snowfall emergency, shall be promptly related to WNAX AM radio in Yankton, SD and KELOLAND TV, by the Wagner City Street Superintendent or his designee immediately upon declaring a snowfall emergency. Notice to the public is deemed sufficient immediately upon said WNAX AM radio and KELOLAND TV announcements being made.**

Please try to assist the City, State and County Street and Highway Departments with these snow removal procedures. Thank you in advance for your assistance in this matter.
